LEARNING ABOUT PUBLICATIONS (LAP) is a monthly publication that has been operating since August 2010. More different types of “Learning about...” themed publications are on the way! By collaborating with Negotiate on Demand (NOD), LAP now has its sights squarely on its anti-violence initiative called “Silence the Violence and Shun the Guns” and developing North America’s first Black themed magazine for the purpose of inspiring and motivating people to do positive things to improve themselves and their community. We urge you to support LAP every month by simply buying a photo quality, 12 page copy at a 50% volume group discount* cost of either \$10.00 CDN for black or white or \$20.00 CDN for full colour. We want to keep in touch with you so please provide your information on the form below. Your LAP publication rep will collect your money in cash or in the form of a payment, made payable, **only in certified funds**, to “Negotiate on Demand Inc.”, place your order and then as soon as 72 business hours, if you live or work in Toronto, deliver to you your copy. Would you like to get involved with LAP initiative? Please call 1-888-663-6602, Ext. 9 to find out how! Thank you for joining us on our journey to make history with LAP! *The minimum order required for the 50% discount is five copies. Please visit us on Facebook and Twitter, Google search “Learning about Black Heroes” or simply log on to www.thenod.ca/learning-about-black-heroes for more details! Promo number ____ .
